For over forty years, Quality General has been setting the standard in quality and service in Hawaii's construction industry.

Our state of the art equipment and highly trained craftsmen can fulfill your construction needs.

QUALITY TRACK RECORD

In 1969, Stan Wada had a vision of providing quality workmanship, quality service combined with quality people. Today, this vision is kept alive with the latest technology and commitment of completing quality projects for our increasingly demanding and competitive construction industry.

QUALITY WORKMANSHIP

Uncompromising dedication to details, service and value driven design.

QUALITY PEOPLE

Our people make all the difference. Highly trained with years of experience, the Quality General team sets us apart from our competitors.

QUALITY EQUIPMENT

Our state of the art equipment is leading the industry in providing a more efficient and quality final product. Our concrete boom pump are a few of the advantages in getting your job completed in a cost effective and efficient manner. Quality General is the only licensed Hydro Mobile distributor in the state of Hawaii.
